Are you a fan of Moody Radio?

If so, you will be excited to know that the Moody Broadcasting Network is now being broadcast in your area!

Moody Radio has been brought to the Freeport area for over thirty years by the Northwestern Illinois Radio Fellowship (NIRF), an outreach ministry of Park Hills and Zion Churches. In 2014, NIRF completed a project to switch to **106.9 FM** and expand the listening area by approximately 5-fold. This means that your church body is now able to tune in to Moody Radio on **106.9 WHRD FM** along with thousands of other listeners in Northwest Illinois and Southern Wisconsin.

So, what would we like from you?

- ✝ Pray for the ministry!
- ✝ Tune in to 106.9 WHRD FM
- ✝ Tell others to listen as well (especially your church family!).
- ✝ Hang up our poster in a high traffic location in your church or local business.
- ✝ Check out our website: www.1069whrdfm.com
- ✝ Contact us if you have any questions or concerns, or if you have a desire to be involved in this ministry in any way.

Not so bad, right?

The quality programming found on the Moody Broadcasting Network really is making difference in the lives of hundreds of thousands of listeners around the world, and we are so excited to expand the ministry on a local level.

Please see reverse for more information about **106.9 WHRD FM** programming.
